

LABLANCA PONDER

Work Experience

Web Designer, Big Picture Alliance

Jan 2019

Website re-design for the non-profit organization, Big Picture Alliance. The previous design was several years old with an outdated look and feel. Designed in wordpress using Elementor and Astra.

Web Design Intern, WebAct

Sept 2018 - Nov 2018

Helped create websites for clients and partners using the Duda Platform. Duties also included light graphic design and on page optimization.

UX Designer, RTD Tickets App

July 2018

Re-designed the Denver RTD tickets mobile application for a better user experience and much needed features. Developed user flows, high-fidelity wireframes, and a clickable prototype. The case study can be viewed here <https://lablanca.me/rtd.html>

Developer, Doggiverse

May 2018

Doggiverse was created as a final project during coding bootcamp. The current project can be viewed at <http://bit.ly/doggiverse>. It was developed using React, Redux and Bootstrap. I am currently in the process of redesigning the entire interface.
